Sir:

In response to the Notice To File Corrected Application Papers mailed June 18, 2007, Applicants submit the attached eight replacement drawing sheets. Please replace the drawings on file with the attached replacement sheets.

The Notice states that the application contains color drawings. The figures originally included color photographs in Figure 2. In the replacement sheet, Figure 2 has been printed as a grayscale photograph. Figures 1, 4 and 5 are as presented in the Amendment and Reply filed February 28, 2007 except that highlighting in Figures 1, 4 and 5 has been rendered in black and white for legibility when reproduced.

Color is not elected. Therefore, this response does not include three sets of color drawings, a petition, or a petition fee.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
